GUASNR, wish to develop cooperative relations on the basis of established contacts and mutual understandings, especially to develop joint academic activities and to promote scientific exchange through mutual assistance in the areas of education and research. The parties agree as follows:

PART I

Area of Cooperation

The area of cooperation includes, subject to mutual consent and appropriate conditions, any program offered at either SHC or GUASNR and proposed by either as desirable, feasible, and contributory to the fostering and development of the cooperative relationship between the two parties in the areas of mutual interest.

PART II

Methods

All understandings and assistance shall be subject to availability of funds and the specific approval of the respective Rector of GUASNR and the Principal of SHC through such activities or programs as:

1. Exchange of faculty members, technical staff, and students to encourage their training in all areas of mutual interest;
2. Development and conduct of joint research activities;
3. Development of mutually recognized educational programs and credit transfer, and the implementation of joint supervisions where applicable in particular through collaboration in the Postgraduate Program;
4. Joint organization of scientific events or training programs, organizing joint seminars, workshops, etc.;

5. Joint publication of books and projects and Interchange of relevant information and academic publications in accordance with copyright-laws;
6. Other activities as deemed mutually appropriate.

The terms of such mutual assistance and necessary budget for each program and activity including academic fees shall be mutually discussed and agreed upon in writing by all parties prior to the initiation of the particular activity or program.

Furthermore, it is understood that each institution will enter into specific program by program written agreements as required for compliance with the respective regulations of the parties involved. SHC and GUASNR will designate a Coordinator to develop specific activities or programs for approval by the relevant authorities at the respective institutions.

Both parties will share equally the benefit of Intellectual Property Right generated from co-operation in scientific and research activities. Further technical arrangement of this matter will be discussed between the two parties.

The use of the name, logo and/or official emblem of either of the agreement's parties on any publications, document and/or paper is prohibited without the prior written approval of the relevant party.

PART III **Finance and Funding**

To finance projects and exchange programs, the contract partners will endeavour for non-university institutions, promoting international research and educational projects (third party funding).

1. As a rule, contract partners cover their own travelling and accommodation costs, unless third-party funding allows for different agreements.

2. The host-university will provide every assistance in preparing research visits from the partner university (e.g. with visa formalities, searching accommodation, general counselling).

3. Costs for eventual necessary medical care during the stay at the host university will be covered by a suitable insurance, to be concluded by the guest colleague beforehand. In case of non-valid insurances, the guest colleague has to cover the costs by himself.

PART IV
Effective Date and Length of Agreement

This agreement will remain in force for a period of five years, and any amendment and/or modification of this agreement requires written approval by the respective authorities at both SHC and GUASNR and shall be appended hereto. After the initial five-year period, this agreement may be reedited and renewed by mutual written consent.

Either party reserves the right to terminate this agreement upon six (6) months written notice to the others. Any individual activities to be continued will be specifically identified and provided for at the time of termination.

Each party shall be responsible for assuring full compliance by its participants with applicable laws and regulations, including insurance, of the respective nations.

Nothing contained herein or in the activities conducted hereunder shall constitute either party the agent, servant or employee of the other party, and each party shall be fully and solely responsible for its own actions and obligations.

Dr. Aneesh Kumar KV from SHC and Dr. Saeid Gorgin from GUASNR are known as follow-up and implementation of the MOU.
